when she was young, nikki's mother and grandmother worked hard to give her a good life

this is par for the course for him

this we did, unfortunately the midwifes only work on specific days at our local gp practice, meaning

it was and is to date the largest inland oil spill in american history

this has been a good start the year that's for sure

despite significant advances in our knowledge of how testosterone mediates life-history trade-offs, this research has primarily focused on seasonal taxa

thanks a million and please keep up the enjoyable work.

take pleasure in the remaining portion of the new year
